Reliance Energy Ltd,  
Mumbai .

Dear Sir,

WALKATHON is a unique sports activity conducted exclusively for senior citizens (60 yrs. and above) since last 21 years to popularize walking as a safe, inexpensive and effective form of exercise ideally suited for senior citizens.

This year, WALKATHON was planned on Sunday, 27<sup>th</sup> January 2008. Unfortunately the street lights at the Pawanhans end of Relief road in Daulatnagar suddenly became non operational on 22/01/2008 due to ? ongoing digging and concretizing work of the Relief Road. We were really worried since our event starts early in the morning from this spot.

We approached Mr. Palkar at Podar School Complaint Centre. Though he was not directly connected with the problem, he listened to us carefully and promised to inform the concerned officer about our problem as well as urgency of solution. He also gave us contact numbers of the concerned officer Mr. Samant. We were telephonically informed by an engineer on 25/01/2008 that the fault will be set right on 26/01/2008 morning. Since no action was seen till 1.00 pm of 26/01/2008, we contacted Mr. Samant telephonically who promptly got our problem rectified in spite of a national holiday. Our thanks were accepted gracefully reminding us that he had not done anything special, but it was "a part of his duty". We were really impressed by their sense of dedication.

This letter is to place on record our highest sense of appreciation for the excellent and efficient service rendered by Mr.Palkar and Mr. Samant. Dedicated workers like these individuals bring glory to any organization and prove to be invaluable assets. Please thank them on our behalf.

With best regards,

Yours Sincerely,

  
Dr. Vasant G. Shenoy,  
Chief Organizer,  
WALKATHON- 2008

Mr. Rande / Palkar
